MEMO ENDORSED

Re: *Williamson v. Verizon Communications Inc., et al.*, Case No. 1:11-cv-04948-LTS-KNF

Dear Judge Swain:

We represent Verizon Communications Inc., Verizon Corporate Resources Group LLC, Verizon Data Services LLC, Verizon New York Inc., and Verizon Services Corp. (collectively "the Verizon Defendants") in the above-referenced patent infringement action.

I write on behalf of all parties to request the installation of the following courtroom equipment for purposes of the *Markman* hearing on December 10, 2012:

- Projector,
- Central monitor or screen (across from the jury box) for those seated at counsels' tables,
- Public monitor or screen (in the public seating area) for client representatives and members of the public,
- Document camera,
- 4-way switch for switching between the document camera and counsels' laptops, and
- Speakers for counsels' tables.

We have conferred with the Office of Courtroom Technology and Audio Visual Services, who indicated that, with the Court's authorization, they will install the requested equipment on or before December 10, 2012.

Respectfully submitted,

The request is granted.

David B. Bassett

SO ORDERED.
